

# SALARY PACKAGING

## What is salary packaging?

Salary packaging is an Australian Tax Office approved way of using concessions available to your employer to reduce the amount of tax you pay.

As an employee of a public hospital or ambulance service, you are entitled to a fringe benefits tax (FBT) exemption which allows you to salary package up to a capped limit of \$9,009 on everyday living expenses (such as mortgage, rent, credit card repayments) and an additional \$2,650 towards meal entertainment each year.

There are other items you may be eligible to salary package over and above your capped limits such as novated leasing, remote area housing and relocation expenses.

## How does it work?

We help you to identify expenses that you are already paying for and set up pre-tax deductions from your pay to reimburse your expenses under salary packaging. The result? A lower taxable salary and an increase to your take-home pay.
