

Vehicle Protection

Designed to enhance every drive.

The Complete Range

No matter what your lifestyle or journey, our affordable range of driver options has been designed to protect you and your car, and enhance your driving experience.

Paint Surface Coating

A high performing ceramic formula combining Silicon Carbide (SiC) and Silicon Dioxide (SiO₂), delivering extreme durability, hardness & a permanent super gloss finish.

- **Mirror-finish super gloss:** The Silicon Carbide (SiC) base gives the highest gloss and its hydrophobic properties helps repel anything that gets thrown at it.
- **Durability tested to last a lifetime*:** The most durable protective product on the market, 4 times harder than quartz based protectors.
- **Proven and globally certified:** Tested, proven and globally certified to the stringent standards set out for Boeing compatible products.

Interior Surface Protection

- **Leather Preserver:** Offers a high grade lanolin formula that provides deep down moisturising protection to soften and preserve the leather.
- **Vinyl Conditioner:** Provides protection against cracking and discolouration caused by the harmful effects of UV rays.
- **Fabric and Carpet Protection:** Provides a resilient and effective stain barrier against commonly consumed food and drink spills, creating an easy-to-clean surface.

Darkest Legal Window Film

As well as a stylish look, enjoy protection against **up to 99% of damaging UV rays** and rejection of as much as **60% of uncomfortable solar heat**.

This darkest legal film delivers maximum protection, outstanding glare reduction, exceptional heat & UV rejection and of course ultimate privacy. And, it offers the added safety feature of holding glass together in the event of an accident.

Plus it comes with a lifetime warranty* for added peace of mind.

Driver Safety Kit

The perfect solution to help keep you and your passengers safe when you're on the road. The **Driver Safety Kit contains all the items you will require to assist with any unforeseen events during your travels**. Housed in a heavy duty carry bag, this kit includes:

1. First Aid Kit
2. Fire Extinguisher
3. Car Power Bank and Charger
4. Roadside Electronic Flare Kit
5. Hi-Vis Vest
6. Cotton Gloves
7. Poncho
8. Microfibre Cloth

This compact kit is always ready to help out when you most need it.

HYDRO ACTIV

Exterior Surface Coating

A high performing formula combining Silicon Carbide (SiC) and Silicon Dioxide (SiO₂), delivering extreme durability, hardness and a permanent super gloss finish.

- **Mirror-finish super gloss:** The Silicon Carbide (SiC) base gives the highest gloss and its hydrophobic properties helps repel anything that gets thrown at it.
- **Durability tested to last a lifetime*:** As the most durable protective product on the market, HYDRO is 4 times harder than quartz based protectors.
- **Proven and globally certified:** Tested, proven and globally certified to the stringent standards set out for Boeing compatible products.

Interior Surface Coatings

- **Leather Preserver:** Super durable with repelling properties to liquids, spills and stains providing the ultimate protection.
- **Vinyl Conditioner:** Provides protection against cracking and discolouration caused by the harmful effects of UV rays.
- **Fabric and Carpet Protection:** Provides a resilient and effective stain barrier against commonly consumed food and drink spills, creating an easy-to-clean surface.

HYDRO ACTIV Surface Coatings are a once-off application for a lifetime* of protection. This means you can spend less time cleaning your vehicle and more time doing the things you love.

Exterior Surface Protection

HYDRO Paint Surface Coating.

HYDRO exterior surface coating is engineered for durability and protection, creating a barrier against UV damage and staining from the elements. This coating helps to retain a high gloss finish of your paintwork and contains self-cleaning properties, meaning your vehicle stays looking cleaner for longer, allowing you more time to do the things you love!

A once-off application, for a lifetime* of protection, to preserve and protect the paintwork, as well as the re-sale value of your vehicle.

Key Features

Made from a high performing formula combining Silicon Carbide (SiC) and Silicon Dioxide (SiO₂), delivering extreme durability, hardness and a permanent super gloss finish.

As the most durable protective product on the market, HYDRO Paint Surface Coating is 4 times harder than quartz based protectors. Tested, proven and globally certified to the stringent standards set out for Boeing compatible products.

Benefits

- The key components deliver extreme durability, hardness and a super gloss finish.
- Incredible repellence to water, sheeting and rolling off the surface taking dirt and grime with it, and reducing calcified water marks and spotting.
- Significantly reduces maintenance, looking cleaner for longer.
- Protects your paint against the damage caused by bird and bat droppings, as well as damage caused by:
 - » Sunscreen
 - » Tree sap
 - » Fallen leaves
 - » Rail dust
 - » Bore water
 - » Weather induced oxidisation
 - » Bug splatter
- The once-off application adds permanent protection, eliminating the need to wax and polish.
- Helps preserve your vehicle's re-sale value.
- Comes with a nationwide lifetime warranty*.

Extra Thickness. Enhanced Protection.

HYDRO adds an extra, tougher layer on top of the vehicle's factory clear coat.

Once applied, this permanent coating creates a hydrophobic surface so water sheets off, taking dirt and other contaminants with it.

*Warranty terms, conditions and exclusions apply.

Interior Surface Protection

ACTIV Leather, Vinyl, Fabric & Carpet Surface Coating.

ACTIV Interior Coatings protect all fabric, carpet, vinyl and leather surfaces against spills and stains, as well as UV damage and discolouration. These coatings are designed to help maintain the condition of your vehicle and provide a durable barrier against whatever life throws at it.

A once-off application for a lifetime* of protection, designed to preserve and protect the interior of your new vehicle.

ACTIV Leather Coating

The lanolin formula offers deep down moisturising protection to soften and preserve the natural beauty of a leather interior.

- Protects against surface dehydration and discolouration caused by UV.
- Provides an easy clean surface to remove stains and marks.
- Preserves the new leather aroma.
- Comes with a nationwide lifetime warranty*.

ACTIV Fabric and Carpet Coating

Formulated with the bacterial protection system Bactishield, this coating will protect the surface against mould, mildew and other harmful bacteria.

- Provides a resilient and effective stain barrier against commonly consumed food and liquids.
- Provides protection against surface discolouration caused by UV.
- Comes with a nationwide lifetime warranty*.

ACTIV Vinyl Coating

Purpose built for vinyl surfaces, this silicon-free formula provides a low-sheen, non-greasy, non-slick protective finish.

- Prevents surface dehydration and damage caused by UV.
- UV stabilised against discolouration.
- Comes with a nationwide lifetime warranty*.

Darkest Legal Window Film

Maximum protection and stylish looks.

You and your passengers will be protected from damaging rays, blocking up to 99% of UV entering through the windows. It delivers maximum protection, outstanding glare reduction, exceptional heat rejection and of course ultimate privacy.

It's the darkest automotive window film and is guaranteed to perform for a lifetime*.

Our Darkest Legal Window Film starts working the minute it has been applied to your vehicle. This film offers maximum UV protection, and dramatically reduces heat and glare.

One of the other important benefits of window film is its ability to hold shattered glass together in the event of an accident.

This film has also been independently tested by ARPANSA: Australian Radiation Protection and Nuclear Safety Agency and has been certified to effectively protect against solar ultraviolet radiation.

Key Benefits

- Darkest legal window film.
- Blocks up to 99% of damaging UV.
- Rejects up to 60% of heat and glare.
- Strengthens glass, helping to hold together in the event of an accident.
- Adds a stylish look.
- Increases privacy for you and your passengers.
- Lifetime nationwide warranty*.
- Increased safety and security for occupants.
- Clear film is available for vehicles manufactured with privacy glass.

Driver Safety Kit

This compact kit is always ready to help when you most need it.

The perfect solution to help keep you and your passengers safe when you're on the road. The Driver Safety Kit contains items you may require to assist with any unforeseen events during your travels.

What's Included:

Car Power Bank & Charger

A portable device that can be used to jump start your vehicle and power electronic accessories.

First Aid Kit

Made out of a series of compartments with each compartment clearly labelled for what to use each item for.

Poncho

Cotton Gloves

Electronic Road Flare Kit

Battery-powered, with 4 variable lighting sequences offering 360 degrees of visibility - day or night.

Microfibre Cloth

Hi-Vis Vest

Fire Extinguisher

A dry chemical powder extinguisher offering easy storage and is ideal for the home, car, boat, caravan or workshop.

With the Driver Safety Kit, you'll always be adventure-ready.

Vehicle Drive Recorder

Helps provide evidence in the event of an accident.

An essential dash cam that records every drive in full HD quality, including superior night-time vision. The device can also record even when the car is parked by using the inbuilt Power Magic Pro that will cut off automatically, leaving enough charge in your battery to start your vehicle[#].

Key Features

Comes with a 32GB SD card

- Records both audio and visual footage.
- Built in GPS and WiFi: GPS provides speed recording and tracks travel via Google Maps. WiFi allows for viewing a live feed, downloading footage and adjusting settings.
- SD card allows for easy viewing of captured footage on a PC, adjusting user options, playback footage in slow motion and more.
- Dedicated App (available via iOS and Android) for reviewing captured footage.
- Available as front or dual (front and rear) configuration.
- Professionally installed by a trained technician.
- Helps to promote safe driving and provides evidence in the event of an accident.
- In any sudden accident, footage can be replayed immediately via the App.
- Built-in GPS and WiFi makes for a cleaner installation with less cables, and removes the need to take the SD card out for simple tasks.
- Saves and organises files on the microSD card in a way that reduces the need for regular SD card formatting, and prevents file corruption events after long periods of use.

[#]Parking Mode also includes a safety cut-off feature to ensure your vehicle's battery does not go flat and will shut down the camera if it detects it's getting low. Some vehicles may also require the optional Battery Backup System to enhance the stand-by time in Parking Mode.
